Company Profile

ASL is an Indian company, engaged in manufacturing of edible oil & speciality fats. Founded in 1992, ASL is a leading manufacturer and marketer of **Vanaspati**, various kinds of **Refined Oils** and **Shortening products** for bakeries like biscuits, puffs, pastries and other applications.

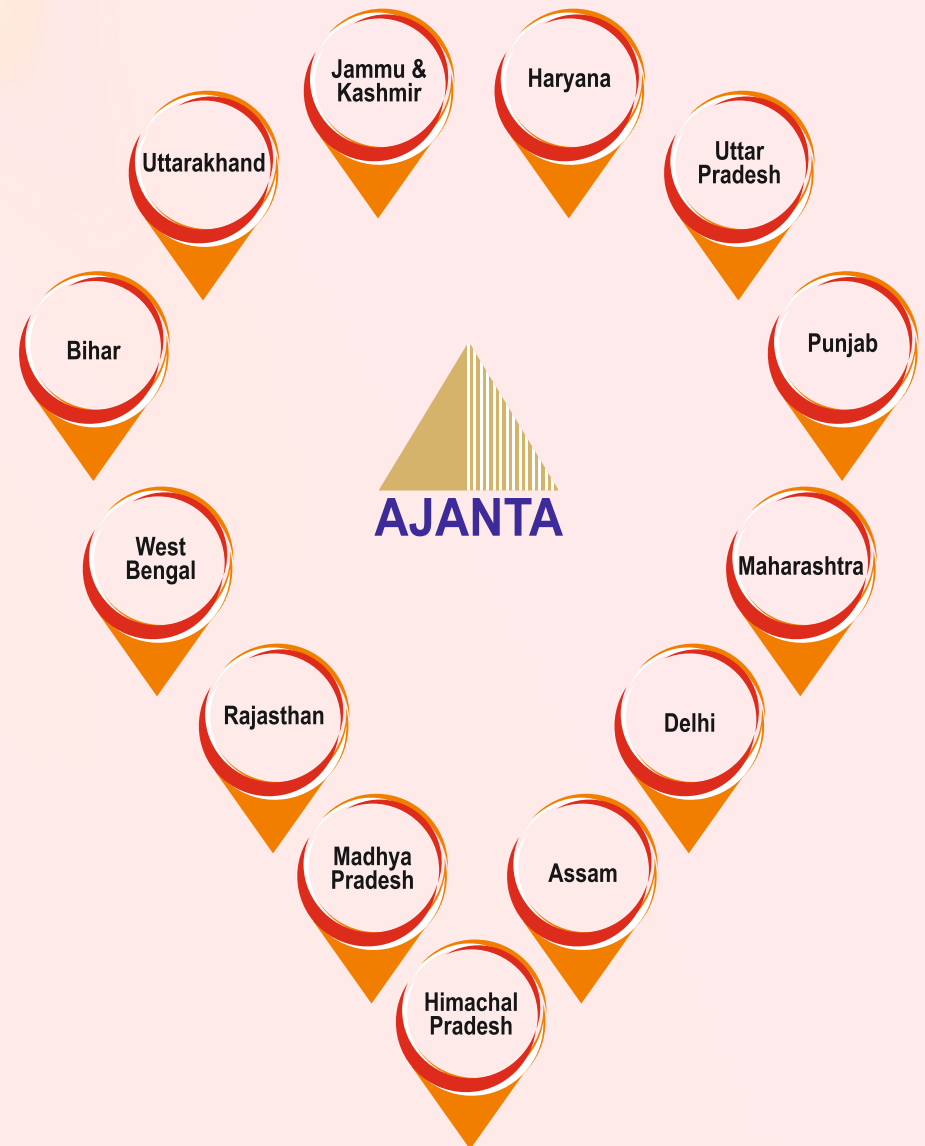

Vision

The company is focused to be recognized as a valuable Ingredient in the lives of people and reinforce a sense of trust, while simultaneously creating value for all, including but not limited to, its customers, consumers and all people associated with ASL, that brings abundance while associating with AJANTA

ASL has changed time & again to cater to changing & varied customer needs and always remain "THE CHOICE" for all segments it operates in.

With sincere thanks to all its customers, ASL represents a strong presence of brands viz. **DHRUV**, **ANCHAL** and **PARV**. The brands of ASL are backed by an extensive and trusted distribution network, which we strive to strengthen continuously and provide UNMATCHED CUSTOMER SERVICE LEVELS.

This brochure is a brief highlight of our service offering and we aim to improve these and add more to cater to your needs. If you have any questions or feedback we shall love to hear from you at: care@ajantasoya.com. We would absolutely appreciate any suggestions to meet any of your needs.
